• As of March 2023, NYUAD's leadership is providing our campus cats' food, in addition to generous financial support for basic medical treatment and annual vaccinations. Mayada Oudah ([mayada@nyu.edu](mailto:mayada@nyu.edu)) has been the primary caretaker of the campus cats since 2018 – this involves taking care of their medical needs and going to the vet, maintaining the feeding stations, rehoming when absolutely needed, and shouldering outstanding medical bills with the help of generous volunteers and community members.
